

April 16, 2024

Dear Pace Student,

Fall 2024 registration is underway this month. To ensure that you're prepared for next semester, please read the following information outlining billing deadlines and our nonpayment process.

**Your fall bill payment will be due August 1, 2024. This means you must finalize financial arrangements to satisfy your bill before this date.** Students who have not arranged payment by August 1, 2024, will be charged a late fee, and anyone with an account not in good standing will be dropped from Fall 2024 Semester classes for nonpayment as of August 7, 2024.

To be ready to meet this important deadline:

- Register for fall 2024 when your registration time arrives.
- Submit your [FAFSA](#) if you have not already done so. For in-person assistance attend one of the upcoming [FAFSA Filing Pop-up events](#).
- Once you receive your financial aid award notice in early June, follow the instructions to accept desired aid. You must follow the instructions for aid to reflect on your bill.
- Access your fall 2024 bill via the [Student Payment Portal](#) as soon as it's available, starting June 18. If applicable, financial aid will credit on your bill within a business day of registration.
- Review payment arrangement options on Pace's [payment information webpage](#).

If you are dropped for nonpayment, your class schedule will not be held. Those students who are dropped for nonpayment will be able to reregister once they have made financial arrangements to satisfy their semester bill. Reregistration will be permitted through September 17, 2024, the last day to add classes for the Fall 2024 Semester, subject to current course availability.

If you have additional questions, please contact the Student Accounts Office at (877) 672-1830, by email at [studentaccounts@pace.edu](mailto:studentaccounts@pace.edu), or [schedule an appointment](#).

Yours truly,

A handwritten signature in black ink that reads "Diego Quante".
