

SIGNAL PHRASES

Using the below information, create three different signal phrases. Do not use the same verb twice and try to change the order to make them as different as possible. Remember that you can refer to the Verbs of Reporting material for sample verbs.

Name of Author: James Joyce

Year of Publication: 1916

Signal Phrase: _____

Name of Author: Tsz Ho Kwok

Year of Publication: 2012

Signal Phrase: _____

Name of Author: Stephen Ross

Year of Publication: 2016

Signal Phrase: _____

CITATION

For all the remaining tasks, use the below source information and paragraph:

Author: Stephen Ross Year of Publication: 2016

Title: Essentials of Corporate Finance

Publisher: McGraw Hill

Page: 6

Regardless of the specific investment under consideration, financial managers must be concerned with how much cash they expect to receive, when to receive it, and how likely they are to receive it. Evaluating the size, timing, and risk of future cash flows is the essence of capital budgeting. In fact, whenever we evaluate a business decision, the size, timing, and risk of the cash flows will be, by far, the most important things we will consider.

-
1. Use the above information to create a quotation in APA.
 2. Paraphrase the above information in APA.
 3. Write out the above source's entry in the APA List of References. You may use the format we went over in our presentation.
