VIEWING ORIGINALITY REPORTS

1. Begin by **selecting** "Course Tools" in the Control Panel.

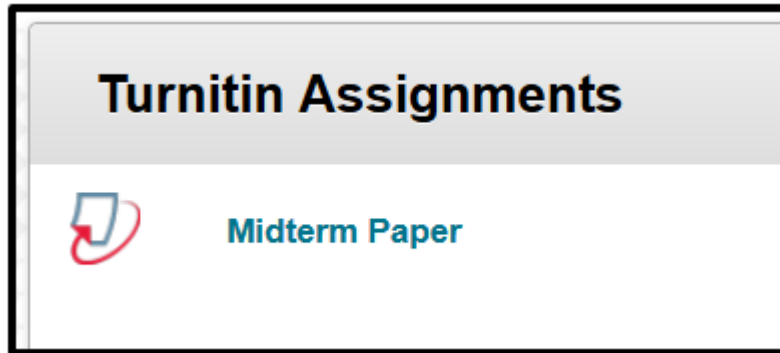

2. A list of tools will appear **in alphabetical order**. Scroll down and **select** "Turnitin Assignments".

TUTORIAL

- This will bring you to a new page listing all the Turnitin assignments you've created in the course. **Select the assignment** you wish to review.

- This will bring you to the Assignment Inbox. The percentage of similarity will be listed under the "SIMILARITY" column. A higher score indicates a higher level of similarity to other sources.

The screenshot shows the "Midterm Paper" Assignment Inbox. It displays a table with columns: AUTHOR, TITLE, SIMILARITY, GRADE, RESPONSE, and FILE. The "SIMILARITY" column shows 0% for Heidi Clorofilla and 46% for Heather Askildsen. A red arrow points to the 46% similarity value, which is also highlighted with a red box.
