

## WEBCAM RECORDING

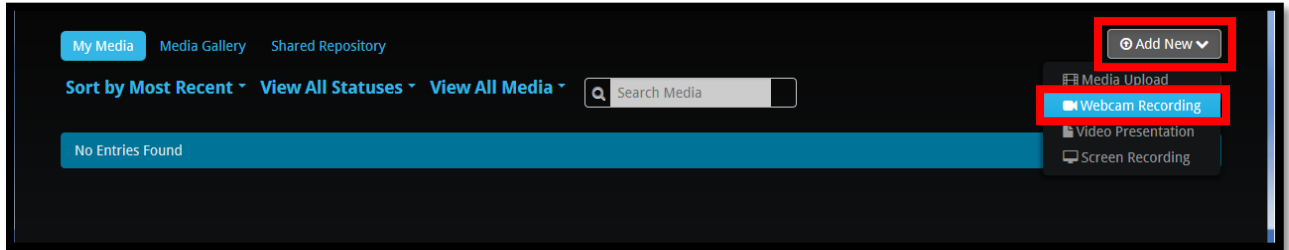

The Blackboard text editor includes an option to record from your webcam. If you need to insert a recording, make sure you have a webcam and microphone on your computer. The video will be uploaded to our Kaltura video server.

1. Navigate to the discussion board and create a forum. Add a subject title. Inside the message area, click "Mashups" and choose "Kaltura Media."

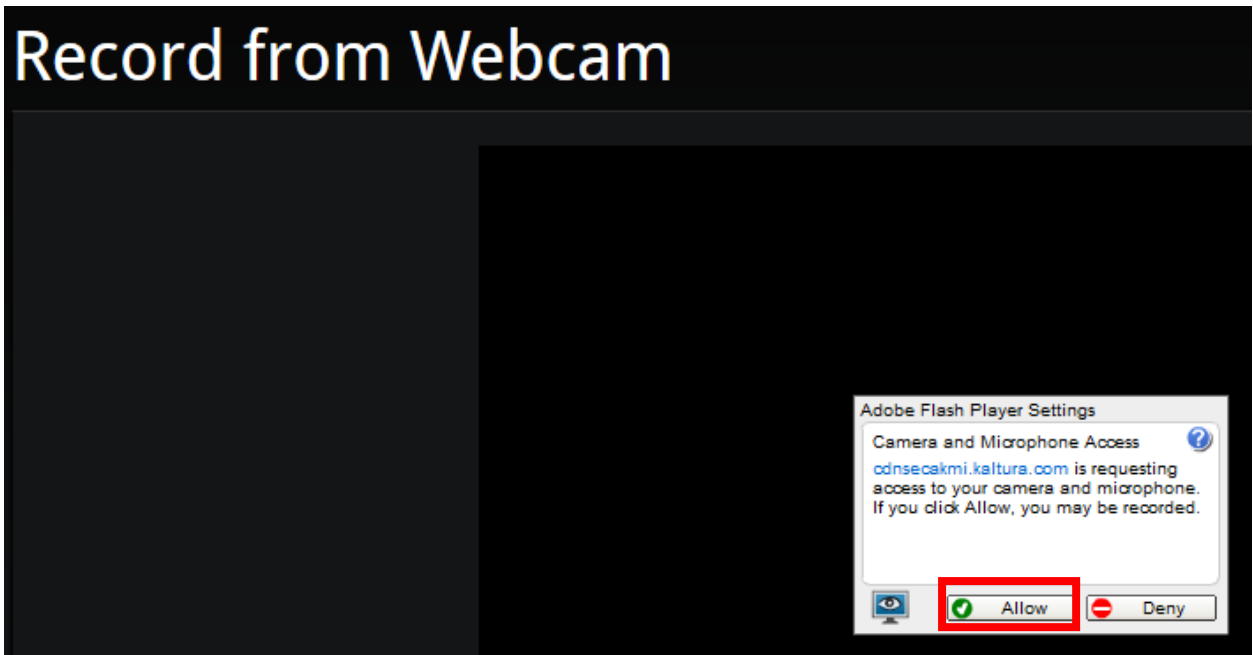

2. Click "Add New" and choose "Webcam recording."

3. Click "Allow."

4. Click anywhere to start recording and fill out the details as prompted.
