

## TUTORIAL

## ADDING AN RSS FEED

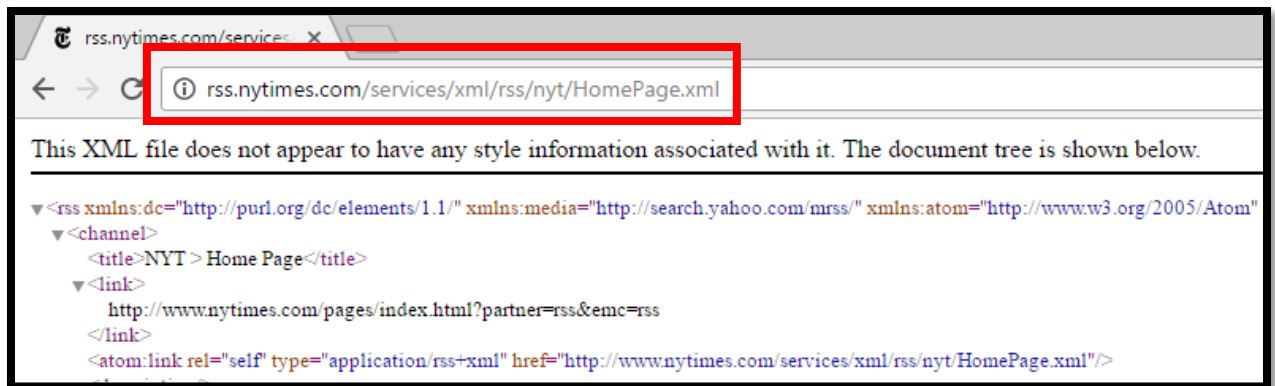

This tutorial will show you how to embed an RSS feed on a page.

1. **Open a browser** (e.g., Firefox, Internet Explorer) and **search for an RSS feed** (e.g., “NY Times RSS Feed”). Note: not all websites have RSS feeds. An orange icon with white curved lined usually indicates an RSS feed.

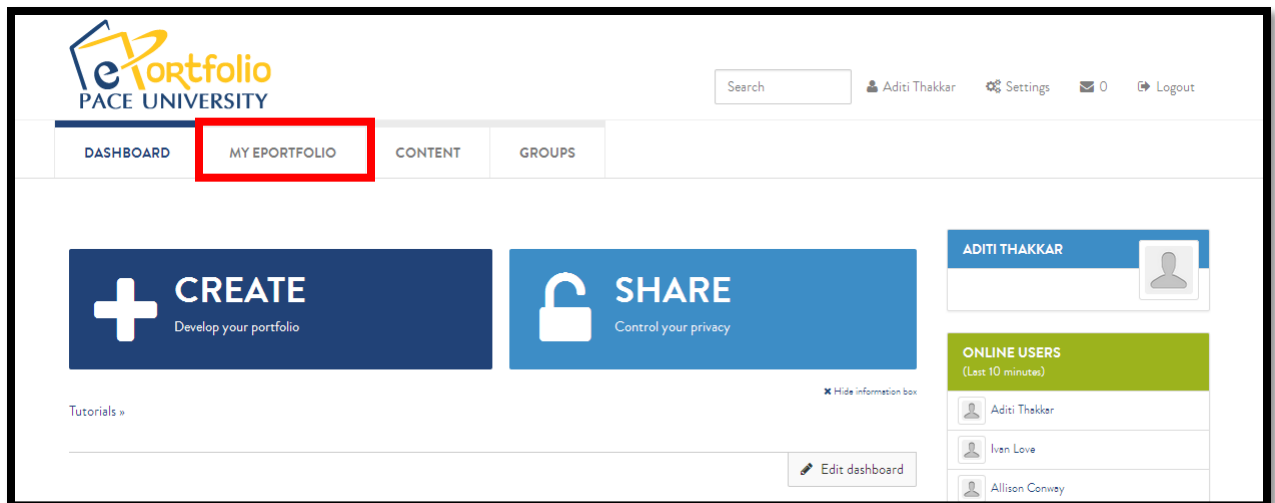

2. **Copy the feed URL** from the address bar.

## TUTORIAL

3. Log in to ePortfolio and click the **My ePortfolio** tab

4. Under the **Pages** sub-tab, click the **pencil icon** next to the page where you want to display the feed.

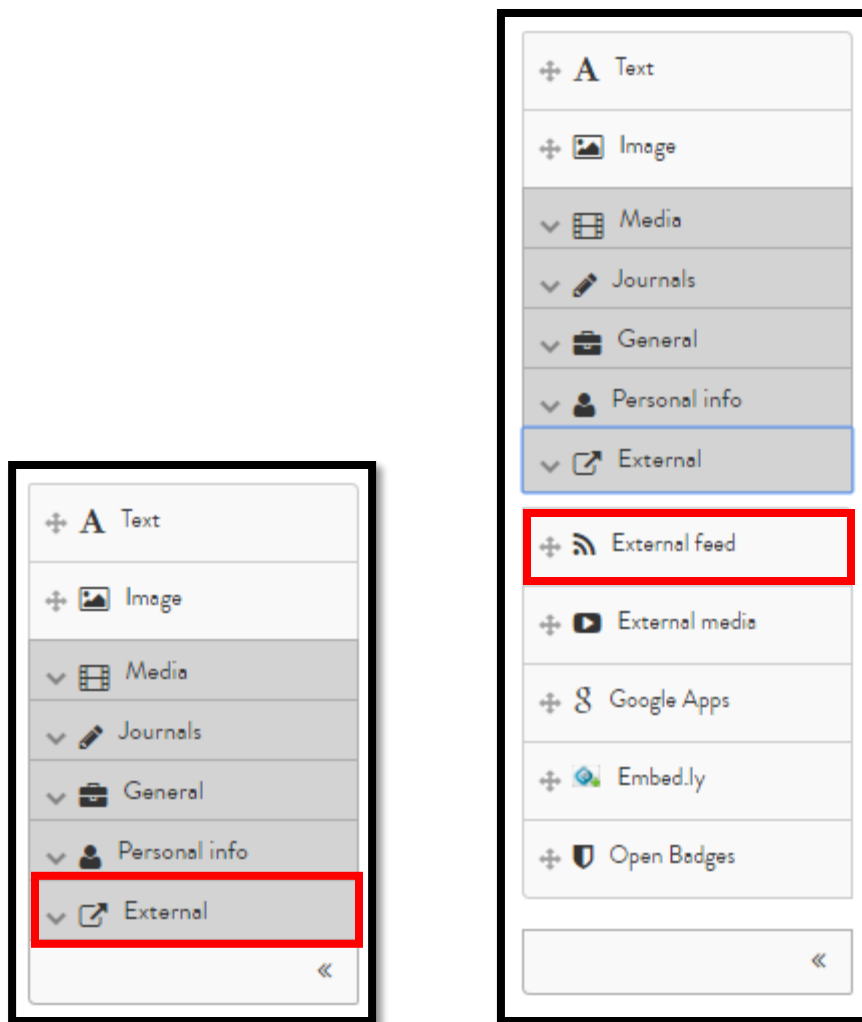

## TUTORIAL

The screenshot displays the Pace University ePortfolio interface. At the top left is the 'ePortfolio PACE UNIVERSITY' logo. A search bar and the user name 'Aditi Thak' are in the top right. Below the logo is a navigation menu with 'DASHBOARD', 'MY EPORTFOLIO', 'CONTENT', and 'GROUPS'. The 'Pages' tab is highlighted with a red box. Below the navigation menu are links for 'Collections', 'Shared by me', 'Shared with me', 'Export', and 'Import'. The main content area is titled 'Pages' with an information icon. It features a search bar with the placeholder '(Title, description, tags)', a 'Sort by:' dropdown, and a 'Search' button. To the right of the search bar are '+ Create page' and 'Copy a page' buttons. Below the search bar is a 'RESULTS' section containing a list of content blocks. Each block has a title and a brief description, followed by edit and delete icons. A red arrow points to the edit icon for the 'About Me' block.

Page Title	Description	Actions
Dashboard page	Your dashboard page is what you see on the homepage when you first log in. Only you have access to it.	[Edit]
Profile page	Your profile page is what others see when they click on your name or profile picture.	[Edit]
About Me		[Edit] [Delete]
Academic Materials		[Edit] [Delete]
Academic Technologies		[Edit] [Delete]
Co-curricular / Extracurricular Activities		[Edit] [Delete]
Introduction		[Edit] [Delete]

- From the list of content blocks on the left, click the **External menu**. Drag and drop the External feed icon onto your page.

## TUTORIAL

6. A dialog box will appear prompting you to **insert the URL** for the feed you wish to display. Click **Save**.

## TUTORIAL

External feed: Configure

Block title

*If you leave this blank, the title of the feed will be used.*

Feed location \*  ←

*URL of a valid RSS or ATOM feed*

Insecure SSL mode  No

*Disable SSL certificate verification. This is not recommended but might be necessary if the feed is served using an invalid or untrusted certificate.*

HTTP username

*Username (HTTP basic authentication) needed to access this feed (if required)*

HTTP password

*Password (HTTP basic authentication) needed to access this feed (if required)*

Items to show

*Between 1 and 20*

Show feed items in full  No

*Whether to show a summary of the feed items or show the full text for each one.*

Retractable

*Select to allow this block to be retracted when the header is clicked.*

[Remove](#)

7. Now your feed will be embedded on your page.
