- URL will take words from a webpage
- **Twitter ID** will take words from a twitter feed
- Del.icio.us ID will take words from Del.icio.us
- \bullet \mathbf{News} will take words from news stories based on the word or phrase you type in the box
- Search will take words from a Google search of the word
- **RSS** will take words from an RSS feed.

Before clicking submit, choose the shape of your word cloud (you will have more choices later so don't worry too much about this).
