ADMISSION INFORMATION

ELIGIBILITY

Applicants to Pace University graduate degree and certificate programs must hold a bachelor's degree from an accredited college or university if postsecondary education was completed in the United States. Applicants who are currently in their senior year at an undergraduate institution may apply for admission, but acceptance is contingent upon receipt of a final transcript indicating all senior year grades and receipt of the bachelor's degree. Applicants who have attended institutions outside of the United States must hold a degree equivalent to a US bachelor's degree.

All information provided in an application must be accurate and complete. Any misrepresentation in or omission of facts from the application will justify a denial or revocation of admission or subsequent dismissal from the graduate program. The Office of Graduate Admission reserves the right to verify any or all information in the application and supporting documentation.

PACE UNIVERSITY GRADUATE MERIT SCHOLARSHIPS

Merit-based scholarships are awarded to entering full-time and part-time matriculated graduate students who demonstrate exceptional scholastic ability. The Scholarship Committee considers each applicant's academic record to determine the scholarship award. All students admitted to a degree program are automatically reviewed for scholarship. There is no separate application to be completed. Domestic scholarship recipients must register for a minimum of six (6) credits per fall and spring semesters. International scholarship recipients must register for nine (9) credits per fall and spring semesters.

ADMISSION CATEGORIES Matriculant

Applicants who wish to pursue a graduate degree or certificate at Pace University should apply for matriculant status. The University has established the following criteria as the most critical in the evaluation of applications for matriculant status: scholastic achievement and a desire to excel as evidenced by previous academic work, aptitude for graduate study as indicated by scores on an admission test (if required), motivation, leadership potential, and maturity as evidenced by work and/or volunteer experience, extracurricular activities, recommendations, and responses to questions on the application.

An interview will be required for psychology and counseling applicants; this excludes MA applicants.

Conditional Matriculant

An applicant who wishes to pursue a degree program but who has not taken a required admission test prior to application may apply as a conditional matriculant. If an applicant is accepted as a conditional matriculant, he or she will be permitted to enroll for a maximum of two courses in the first semester. (Note: Summer I and II are considered one semester.) To continue beyond the first semester, a conditional matriculant must complete Pace graduate coursework with at least a 3.0 GPA and submit an official admission test score report and receive written confirmation of matriculation from the Office of Graduate Admission. The matriculation decision will be based upon a student's undergraduate and graduate records, satisfactory performance on the admission test and other application information.

An applicant who needs a student visa is not eligible to apply under this status. Psychology applicants, excluding MA in Psychology applicants, are ineligible for this status.

Non-Degree Status (NDS)*

The objective of the non-degree status is to enable students who qualify by virtue of previous education or experience to enroll in appropriate graduate courses on a space-available basis.

Students who want to register for coursework under this status must return the Application for Non-Degree Status with a \$70 application fee to the Office of Graduate Admission after obtaining written approval from the chairperson of the department offering the course(s). At most, two courses taken in non-degree status may be applied to a graduate program if the student is later accepted by the Graduate Admission Committees. The application for non-degree status can be found on page 21.

Auditor*

Individuals holding a US bachelor's degree or its equivalent may apply to audit a maximum of two graduate courses at Pace University. The objective of auditor status is to enable students seeking a renewal or extension of knowledge related to their careers to enroll in appropriate graduate courses. Auditors are granted neither grades nor credit for audited courses. An audited course will not be applied to a degree program. Applications for auditor status are available from the Office of Student Accounts and Registrar Services.

Alumni Auditor

Alumni of Pace University's Dyson graduate programs are eligible to audit graduate classes subject to the approval of the instructor and space limitations. Students must have the necessary background for admission to courses; not every course is open to alumni auditors. Interested alumni should file an Alumni Auditor Application with the Office of Student Accounts and Registrar Services during the second week of the desired semester.

Visiting Student

A student currently in good standing in a comparable graduate program at another institution may apply to take courses in a graduate program of Pace University by completing the Visiting Student Application on page 19. Applicants accepted as visiting students may take a maximum of two courses in a Pace graduate program. Registration for courses is on a spaceavailable basis and the courses must be completed in the semester for which the visiting student applied. An applicant who needs a student visa is not eligible to apply under this status.

SPECIAL PROGRAMS

MPA/JD

Written approval of both the Dean of the Law School and the chairperson of the Department of Public Administration are prerequisites to admission to the MPA/ JD program. The applicant must apply to the Pace University School of Law and the Dyson College of Arts and Sciences and meet the admission requirements of each school before admission to the joint degree program is approved. The student may, however, apply for admission to the joint program during the first year of study at either school. For admission to the Dyson College of Arts and Sciences, a formal application to the Office of Graduate Admission, accompanied by a \$70 nonrefundable fee, is required.

THE ACTORS STUDIO DRAMA SCHOOL MASTER OF FINE ARTS (MFA) PROGRAM

The Actors Studio MFA is a full-time program open to qualified candidates who have earned a bachelor's degree or the international equivalent from an accredited college or university. Guided by the methodology in the system set forth by Constantin Stanislavski in his three groundbreaking books, *An Actor Prepares*, *Building a Character*, and *Creating a Role*, The Actors Studio MFA involves three years of intensive study in the dramatic arts.

SPECIAL INSTRUCTIONS

DEFERRALS

Students who have been admitted to a graduate program at Pace University but who wish to delay their entrance for a period of time may request a deferral by writing to the Office of Graduate Admission or in the case of psychology, the Director of Graduate Programs, prior to the start of the semester for which admission has been granted. The request must specify the semester the student anticipates entering the program. The graduate admission staff considers each request for deferral individually and retains the right to grant or deny admission for a future semester.

DECISION APPEAL

An applicant who is not approved for admission may appeal the decision. The appeal should be made in writing to the Office of Graduate Admission within one month of notification of denial.

INTERNATIONAL STUDENT INFORMATION

APPLICATION FEE

Applicants from outside the United States must remit the \$70 application fee by international money order or by a check drawn from a US bank.

DEADLINE DATE AND STATUS

International applicants who require a student visa are advised to apply well before the priority deadline dates, and must apply for full-time matriculated status.

TRANSCRIPTS

If foreign language transcripts are issued, English translations must accompany the **original** transcript. Pace will accept translations and evaluations in the following manner: 1) sent from any NACES (www.naces.org) accredited translation evaluator (preferred) 2) sent and attested by the institution of origin 3) the student's Ministry of Education 4) a US consular officer or 5) an EducationUSA adviser (www.educationusa.state.gov).

To help expedite the process and review of an application, it is suggested that an academic evaluation of foreign course work be submitted with all translations.

All materials submitted become the confidential property of Pace University and cannot be returned or forwarded to the applicant or a third party.

ENGLISH LANGUAGE PROFICIENCY TESTS

Students who earned a bachelor's degree in a country where English is not the official language and English is not their first language must submit a Test of English as a Foreign Language (TOEFL), International English Language Testing System (IELTS), or Pearson Test of English (PTE) score that is no more than two years old.

A TOEFL score of 88 (Internet version). an IELTS score of 7.0, or a Pearson PTE score of 60 is preferred to demonstrate the requisite proficiency in English for admission to Pace University, except for the MA in Media and Communication Arts when the preferred scores for admission are a TOEFL score of 100 (Internet version), an IELTS score of 7.5, or a Pearson PTE score of 68 to demonstrate the requisite proficiency in English for admission to Pace University. If the TOEFL, IELTS, or Pearson PTE score is below the minimums stated above, or if Admissions determines that an applicant needs additional English language preparation to become a fully matriculated student, he or she may be a candidate for the Pace University Global Pathways program. Once a student submits an application, the Admission Committee will advise about being admitted into this program.

Students who submit proof of citizenship from a country where English is the official language may have the English language proficiency test requirement waived.

STUDENT VISAS

To receive Form I-20 from Pace University which is required to obtain an entry visa, the applicant must demonstrate that he or she has sufficient funds available to pay for tuition and living expenses for one year of study in the United States. Students must provide evidence of additional financial support of \$5,000 per year for a spouse and \$5,000 per year for each child that accompanies the student to the United States.

All applicants who will require a Pace University student visa must submit the Pace University Financial Affidavit for International Students included in this application packet. All monies pledged on the Pace University Financial Affidavit for International Students must be verified. Monies can be verified in any one or more of the following ways:

- A. A bank letter on bank letterhead in English, which contains the applicant's or the applicant's sponsor's name, account number, the amount of money in US dollars, and the signature of a bank official;
- B. A letter of support from a sponsoring scholarship program, fellowship program, or grant organization.

ADDITIONAL INFORMATION

Information regarding applying for a non-immigrant visa or transferring/ changing status if already in the US will be included in the official acceptance packet. In order to assist students, it is required that a home country address be provided on the application for admission.

Please note that, as specified by US immigration regulations, students who have entered the US on a tourist visa or on a visa waiver must be in proper status prior to enrolling in classes.

Special situations regarding immigration status should be discussed with an adviser in the Office of International Programs and Services.

Students should please submit a copy of the first page (data information) and last page (current address) of a current passport. This should be submitted with the other documentation required for Pace University to issue the form I-20.
