OFFICIAL TRANSCRIPTS

Please arrange for an official transcript from each academic institution you have attended to be sent directly to the Office of Graduate Admission. Transcripts are considered official if they are sent directly from the academic institution(s) to Pace University, or if you submit them unopened and in the institution's original sealed envelope.

ADMISSION CRITERIA

Students must complete the FNP-DNP or AACNP-DNP program with a total of 1,000 supervised practice hours. The number of supervised master's advanced practice hours will be assessed, and if those hours plus the 450 supervised practice hours in the DNP program are less than 1,000 hours, plans will be made for accepted candidates to complete those hours within the DNP program.

- Be a graduate of an accredited advanced practice nursing master's degree program
- Have a minimum GPA of 3.3 in a master's degree program in nursing or equivalent professional experience
- Be licensed as a registered nurse in New York State, state certified and board eligible as a Family Nurse Practitioner (FNP)* or Adult Acute Care Nurse Practitioner (AACNP)
- No standardized admission test (GRE or Miller Analogy) required
- Qualified applicants will be interviewed by the DNP Admissions Committee. During the interview, applicants will be required to write a 250-500 word abstract on a clinical question they have identified in their practice.

APPLICATION DEADLINE

Admission to the DNP program is highly competitive. All applications must be completed and submitted by **March 1** for priority consideration for this cohort class of no more than 24 students. Applications received after March 1 will be considered on a space-available basis until April 15, or until classes are filled.

Note: All documents submitted in support of an application for admission become the permanent possession of Pace University and cannot be returned to the applicant or photocopied for the applicant. For your records, please make photocopies of all materials submitted, except for transcripts and recommendation forms, which must be received unopened, in the original, sealed envelopes.

**Although the Pace FNP-DNP program is designed for family nurse practitioners (FNPs), Pace has an option for adult, adult-gerontology primary care, pediatric primary care, and women's health nurse practitioners with master's degrees who wish to obtain FNP certification as an FNP-DNP. If you are interested in this option, you will need to meet with the FNP-DNP program director who will conduct a gap analysis to determine what additional clinical courses and precepted clinical hours will be required.*
