M.A. IN MEDIA AND COMMUNICATION ARTS MAJORS AND M.S. IN ENVIRONMENTAL SCIENCE MAJORS

- During your last semester of Global Pathways, your academic class related to your major will be held at Pace's **Pleasantville, New York campus**. This class may take place in the evening.
- However, your English classes would still be day classes held in New York City.
- You can find out more about pace's Pleasantville campus (including directions) here:
<http://www.pace.edu/about-us/directions-to-all-campus/plv-campus>

NOTES:

- While in Pathways, all students are registered for courses by their Pathways academic advisor; students are not allowed to choose their schedules.
- Except for the 1-credit undergraduate UNV 101 course, most academic Pathways courses are worth 3-4 credits.
- In order to move to the next level or complete Pathways, students need to meet **all** of the Pathways progression requirements each semester (more on next slide);
- If a student does not meet **all** of the academic requirements, they might have to repeat some or all of the courses and might not be able to take academic courses in their next term.

PROGRESSION REQUIREMENTS

At the end of each Pathways term/semester:

- ✓ **English (ELI) & Academic:** 2.70 GPA (Grade Point Average) accumulative average or above for all courses, each course with equal weight.

Important:

- ✓ **Final grades are determined** by attendance, punctuality, active in-class participation in all activities, all homework assignments, mid-term tests and exams, and final tests/papers/projects.
- ✓ If a student fails to meet progression requirements in any given term, they have the chance to meet progression requirements in the following term
- ✓ If a student fails to progress for two consecutive terms, they cannot continue in the program.

PROGRAM POLICIES

ATTENDANCE

- ✓ After 4 absences your instructor will drop your grade 3 percent per excess absence (for example with 5 absences, from 95% to 92%, with 6 absences from 95% to 89%).

LATENESS

- ✓ Within the first 30 minutes of class, is a “late”. 3 “lates” equals one absence. Missing more than 30 minutes of a lesson is an absence, not a late.

APPEAL

- ✓ In the extreme and rare case that you feel your grades, or progression was not fairly and/or accurately assessed, you may apply for an appeal process by speaking with your instructor immediately and beginning the process within the first 5 days of receiving a grade or progression result.

EXPECTATIONS

- Attendance and active participation in all English and academic classes are required!
- Daily use of your Pace e-mail account is required, once you have enrolled!
- Mandatory Attendance in workshops (graduate students)
- Participation in academic advising
- Participation in cultural and social activities
- Usage of available resources (tutoring)
- Speak with your instructors to find out your grades in their classes
