Policy Statement

New York State Paid Family Leave (“PFL”) will provide eligible workers with wage replacement during time away from a job to:

Bond with the employee’s new child during the first 12 months after the child’s birth, or the first 12 months after the child’s placement for adoption or foster care with the employee.

Provide care for a family member with a serious illness. The definition of family member includes a biological or legal relationship and in “loco parentis” in definitions of child and parent. These include:

- spouse/domestic partner
- child (no age limit)
- parent and parent-in-law
- sibling
- grandparent of employee
- grandchild (child of employee’s child)

Participate in “qualifying exigencies” as defined in federal Family and Medical Leave Act due to a spouse, domestic partner, child, or parent’s active-duty military service or notice of a call or order to active duty. Qualifying exigencies include:

- attending certain military events
- arranging for alternative childcare
- caring for a military member’s parent who is incapable of self-care when the care is necessitated by the member’s covered active duty
- addressing certain financial and legal arrangements
- attending certain counseling sessions
- attending post-deployment reintegration briefings

PFL may be taken on a continuous or intermittent basis.

Eligibility

Employers with one or more employees are required to comply with PFL. Out of state employers with employees in New York State are also subject to the law for their New York employees.

All eligible employees are entitled to participate in PFL.

- Full-time employees: If you work a regular work schedule of 20 or more hours per week, you are eligible to apply for PFL after 26 consecutive weeks of employment.
- Part-time employees: If you work a regular work schedule of less than 20 hours per week, you are eligible to apply for PFL after working 175 days (actual workdays regardless of number of hours worked per day), in a 52 consecutive week period.

This policy does not apply to students, independent contractors, consultants, and other non-employees.

Benefit Amount and Implementation

In 2024, the PFL benefit is 67% of the employee's Average Weekly Wage, not to exceed 67% of the New York State Average Weekly Wage, for a maximum of 12 weeks. The New York State Average Weekly Wage in 2024 is \$1,718.15. As such, 67% will be a maximum of \$1,151.16 per week.

Effective Date

Provided that they have met the eligibility requirements, employees will be able to apply for PFL under this policy. Newly hired employees will not be able to use any paid family leave until they meet the eligibility requirements.

Employee Contribution

All employees pay for the coverage through payroll deduction at a 2022 rate of 0.511% of their weekly wage, not to exceed the annualized statewide average weekly wage, which is currently \$82,917.64. This means that an employee's 2022 annual deduction will not exceed 0.511% of that amount, which is \$423.71.

Beginning 01/01/2023, the NY PFL rate will be reduced to 0.455% of gross wages per pay period not to exceed the annualized statewide average weekly wage of \$87,785.88. This means that an employee's 2023 annual deduction will not exceed 0.455% of that amount which is \$399.43.

For a newly hired employee, the deduction will begin immediately with his or her first paycheck.

You can only opt out of Paid Family Leave if you do not expect to work for the minimum amount of time required for eligibility. If you meet this criterion and wish to opt out, you can do so by completing a [PFL waiver](#). A waiver of family leave benefits may be filed when:

- Your schedule is 20 hours or more per week, but you will not work 26 consecutive weeks.
- Or
- Your schedule is less than 20 hours per week, and you will not work 175 days in a 52 consecutive week period.

Please note that if you waive coverage:

- The deduction will cease on the first payroll following receipt of your waiver form. Deductions already processed will not be refunded.
- If you subsequently become eligible for New York PFL, you will be subject to retroactive premium payments from January 1st of the calendar year in which you became eligible.

If the PFL request is foreseeable, the employee must provide the Pace with 30-days advance notice so they can plan for the employee’s absence. If the event was not foreseeable, the employee must notify the Pace as quickly as possible.

Caring for a Close Relative with a Serious Health Condition

A serious health condition is an illness, injury, impairment, or physical or mental condition that involves inpatient care in a hospital, hospice, or residential health care facility; or continuing treatment or continuing supervision by a health care provider. For example, employees who need one or more full days to care for a parent undergoing chemotherapy; or a parent is having surgery followed by extensive recuperation; or a child is undergoing intense psychotherapy and is unable to attend school for a period of time.

- The family member being cared for must complete Form PFL-3 "Release of Personal Health Information under the Paid Family Leave Law". PFL-3 must be submitted to the medical provider along with Form PFL-4 "Health Care Provider Certification for Care of Family Member with Serious Health Condition". Once the medical provider completes Form PFL-4 and gives it to the employee, the employee sends both forms with required documentation to New York Life Leave Solutions for review.

Active-Duty Deployment

PFL is available to eligible employees for situations listed under the "emergency exigency" provisions of the federal Family Medical Leave Act. In addition to Form PFL-1, the employee completes Form PFL-

5 “Military Qualifying Event” and attaches the following documentation:

- US Department of Labor Military Family Leave Certification (Federal Military Leave Form)
- Copy of Military Duty Papers
- Other documentation supporting the reason for the leave (copy of meeting notice, ceremony details, rest and recuperation orders, etc.)

Once the employee completes Forms PFL-1 and PFL-5, the employee sends both forms with required documentation to New York Life Leave Solutions for review.

Filing a Claim with the PFL Carrier

Once all forms and documentation have been completed, the employee sends the information directly to New York Life Leave Solutions who reviews the claim. New York Life Leave Solutions will reply within 18 days. If New York Life Leave Solutions approves the claim, it is processed, and benefit payments begin. If the claim is denied, New York Life Leave Solutions will provide the reason.

Employees can find more information about filing a claim by calling the New York State PFL toll-free helpline at (844) 337-6303.

Employee Frequently Asked Questions (FAQ)

When do I need to file a claim?

If you have a foreseeable situation, you must give 30-days advance notice so the University can plan for your absence. If the event was not foreseeable, you must notify Pace as quickly as possible. If you fail to do so without unusual circumstances justifying the failure, your PFL can be delayed or partially denied.

How will I be paid?

You will be paid by check directly by New York Life Leave Solutions. You will not be paid the PFL benefit through Pace University.

When will I be paid?

Within 18 days of filing a complete claim for benefits, New York Life Leave Solutions must pay you or deny the claim and provide an explanation of the denial.

Will I be able to take Paid Family Leave on an hourly basis?

No, PFL is only available in full day increments.

If I receive 8 weeks of Paid Family Leave benefits to bond with my newborn and then one of my parents becomes seriously ill later in the year, will I be able to receive Paid Family Leave benefits again since it is for a different reason?

No. An employee is only eligible for the maximum benefit for the year he/she applies.

Can an employee use Paid Family Leave for part of the work week?

Paid Family Leave can be taken all at once or intermittently but must always be taken in full day increments. For example, if a normal workday for a part-time employee is four hours long, you can take Paid Family Leave for the four-hour work day. You cannot take only two hours of Paid Family Leave that day and work the remaining two hours.

If I take PFL on an intermittent basis, how many days am I eligible for in 2024?

For full-time employees, who work 5 days a week, you are eligible for 60 days (equivalent of 12 work weeks). For part-time employees, the number of days is equal to the number of days you regularly work in a week times 12.

Can I take both disability and Paid Family Leave?

Your combined disability leave and PFL in any 52 week period may not exceed 26 weeks. PFL cannot be taken for an employee's own serious health issue.

Do I have to participate in the Paid Family Leave program?

PFL is not optional for most employees. The exception is if you are in a job that will not allow you to attain the 26 continuous weeks or 175 days needed to qualify for PFL.

I am pregnant. Will I be able to receive Paid Family Leave during my pregnancy?

PFL only begins after short-term disability leave ends.

Will I be able to use Paid Family Leave to take care of an eligible relative living outside New York?

Yes, as long as you are caring for an eligible family member and provide the medical certification.
