Your TracCloud Account

PACE
UNIVERSITY

Learning Commons

Reasons to use your student TracCloud Account:
- To Search for a specific tutors hours and availability
- View your block course schedule
- View your previous tutoring session(s)
- Make an appointment to see a tutor or join a group study session

Log in to TracCloud through the URL: pace.trac.cloud

**Or by using the QR Code to the right.**
Once on this page please use your Pace credentials (same login as your Pace Portal)
You will be asked for your Duo Authentication after logging in.
Note: We suggest using Google Chrome, Mozilla Firefox, or Safari with TracCloud.

Once logged into TracCloud, you will land on the Home Page.
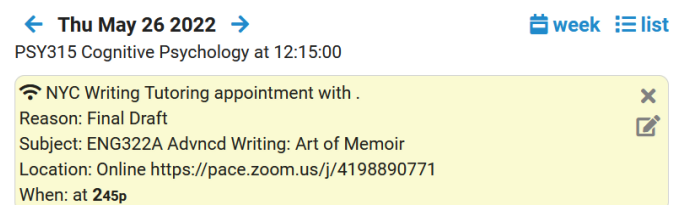

From here you can take advantage of the many features that TracCloud has to offer.

Features of TracCloud

- **Schedule** an appointment. For detailed instructions on this, please see the "Making Appointments Using Trac Cloud" instructions.
- **View** your class schedule and Learning Commons appointments. You can view your daily schedule or your weekly schedule.
- **Link** your Learning Commons appointments with your Outlook calendar.
- **Check** your number of visits and time spent in the Learning Commons during a given semester. You can access this by clicking "Week & Semester Time Check."

When you have an appointment for a particular day, it will look like this:

← **Thu May 26 2022** →   📅 week ☰ list
