

## **Karen D'Attore**

*Village of Ossining*

Karen D'Attore is Manager of the Village of Ossining. Since joining the Village in 2019, Karen has overseen the completion and adoption of the 2021 Comprehensive Plan and the selection of Wilder Balter as preferred developer for an all affordable, mixed-income, mixed use project at the 30 Water Street. Under her oversight Ossining has secured over \$20 million in grant funding for capital projects, economic development, environmental sustainability and municipal infrastructure, including the \$10 million New York State Downtown Revitalization Initiative. Prior to the Village of Ossining, Karen was the Director of IFCA Housing Network a Neighborhood Preservation Company that renovates, owns and operates affordable rental units in Ossining and Tarrytown. Karen started her career in advertising and marketing and has held positions as head of U.S. Public Private Partnerships for the United Nations World Food Program and UN Women.
