PLAN FEATURES IN-NETWORK

Benefit limitations - Some service or supplies have limits on them per year. There might be a maximum number of visits or days, or a dollar limit per year. In such cases, the benefit year begins on January 1 (unless otherwise noted). Refer to your plan documents to learn more.

Deductible (per calendar year) \$250 per Individual

\$500 per Family

You must first meet the deductible before the plan begins paying benefits, unless otherwise noted.

The amount you pay (cost sharing) for some medical services does not count toward your deductible. Prescription drug costs do not count toward the deductible. Refer to your plan documents for details.

Your family will have one deductible. You will meet it when the expenses of several family members add up to the family deductible. No one person will have to pay more than the individual deductible.

Member coinsurance Covered 100%

Applies to all expenses except as noted.

Out-of-pocket limit (per calendar \$2,000 per Individual

year)

\$4,000 per Family

Some of your cost sharing may not count toward the out-of-pocket limit.

Your pharmacy expenses do not count toward your out-of-pocket limit.

In-network expenses include coinsurance/copays and deductibles.

Your family will have one out-of-pocket limit. You will meet it when the expenses of several family members add up to the family out-of-pocket limit. No one person will have to pay more than the individual out-of-pocket limit amount.

Lifetime maximum

Unlimited except where otherwise indicated.

The following are covered 100% in-network:

- Oral chemotherapy drugs
- Seasonal vaccinations
- Preventive vaccinations
- Affordable Care Act (ACA) eligible preventive medications and contraceptives

Refer to **Aetna.com** for a complete list of eligible prescription drugs.

Precertification requirements

Some covered prescription drugs need approval from us before we will cover the drug.

Some covered prescription drugs require step therapy before we cover them. With step therapy, you must first try one or more drugs before we will pay for drugs that require step therapy.

To get the most up-to-date precertification requirements and a list of drugs that require step therapy, see your plan documents or go online to your member website.

Choose generics with dispense as written (DAW) override - Sometimes your physician may say you need a brand-name prescription drug even if a generic is available. If so, you will pay the brand-name copay. If you ask for a brand-name prescription drug when a generic is available, you will pay the applicable brand-name copay plus the difference between the generic price and the brand-name price.

GENERAL PROVISIONS

Plans are provided by: Aetna Health Inc. While this material is believed to be accurate as of the production date, it is subject to change.

Health benefits and health insurance plans contain exclusions and limitations. Not all health services are covered.

See plan documents for a complete description of benefits, exclusions, limitations and conditions of coverage. Plan features and availability may vary by location and are subject to change. Providers are independent contractors and are not our agents. Provider participation may change without notice. We do not provide care or guarantee access to health services.

The following is a list of services and supplies that are *generally* not covered. However, your plan documents may contain exceptions to this list based on state mandates or the plan design or rider(s) purchased by your employer.

- All medical and hospital services not specifically covered in, or which are limited or excluded by your plan documents.
- · Cosmetic surgery, including breast reduction.
- · Custodial care.
- · Dental care and dental X-rays.
- Donor egg retrieval
- Experimental and investigational procedures, except for coverage for medically necessary routine patient care costs for members participating in a cancer clinical trial.
- Hearing aids
- Home births
- Immunizations for travel or work, except where medically necessary or indicated.
- Implantable drugs and certain injectable drugs including injectable infertility drugs.
- Infertility services, including artificial insemination and advanced reproductive technologies such as IVF, ZIFT, GIFT, ICSI and other related services, unless specifically listed as covered in your plan documents.
- · Long-term rehabilitation therapy.
- Non-medically necessary services or supplies.
- Outpatient prescription drugs (except for treatment of diabetes), unless covered by a prescription plan rider and overthe-counter medications (except as provided in a hospital) and supplies.
- · Radial keratotomy or related procedures.
- Reversal of sterilization.
- Services for the treatment of sexual dysfunction/enhancement, including therapy, supplies or counseling or prescription drugs.
- · Special duty nursing.
- Therapy or rehabilitation other than those listed as covered.
- Weight control services including surgical procedures, medical treatments, weight control/loss programs, dietary regimens and supplements, appetite suppressants and other medications; food or food supplements, exercise programs, exercise or other equipment; and other services and supplies that are primarily intended to control weight or treat obesity, including Morbid Obesity, or for the purpose of weight reduction, regardless of the existence of comorbid conditions.

In case of emergency, call 911 or your local emergency hotline, or go directly to an emergency care facility.
