DEPARTMENT SITES

TARGET AUDIENCE: Current Students (prospective students may also visit these pages for information)

OWNED BY: CHP

FREQUENCY OF UPDATES: Any time

The department sites include information for current students within a department. The Lienhard School of Nursing has a site for undergraduate bachelor's and graduate masters and doctoral nurse practitioner programs and the PhD in Nursing has a separate site. The Lienhard School of Nursing site is currently being redesigned to encompass all nursing programs with separate sites for undergraduate, graduate nurse practitioner, and PhD in Nursing.

Website Links/Addresses:

- [Lienhard School of Nursing Department](#)
- [PhD in Nursing](#)

Information on the LSN site includes:

- Brief overview
- Statistics
- Links to Program Pages (description on page 1)
- Link to the Simulation Lab
- Student testimonials
- About Lienhard School of Nursing
- Admission Resources (Requirements, transfer student information, and link to application)
 - Doctor of Nursing Practice FAQ
 - Doctoral program comparison
- Academic Resources
 - [Curriculum worksheets](#) (this page specifically has 2 separate worksheets for current students. Those that entered Fall 2024 (new curriculum) or those that are set to complete in Fall 2025 (old curriculum)
 - Expected Student Learning Outcomes
 - Student Handbooks
 - Clinical Clearance
 - Complaint Policy
 - Dean's List
 - SIGMA Nursing Honor Society
 - Student Nurse Coalition for Diversity and Development (SNCDD)
 - Technical Standards
 - Accreditation
 - Contact Information

PROGRAM PAGES

TARGET AUDIENCE: Prospective students

Program pages are individual pages that feature one specific program and are targeted to prospective students.

OWNED BY: University Relations

FREQUENCY OF UPDATES: October and March

Website Addresses for Program listings:

- [Undergraduate Programs](#) (old design, waiting for direction to move forward with compiling details for updated design. No target date provided).
- [Graduate Programs](#) (updated design, launched January 29, 2025)

Information on the pages includes categories such as:

- Program Name
- Location
- Credits
- Modality
- Duration
- Start Date/Semester
- Request Information form
- Statistics
- Curriculum (currently published academic year) – this page, as the target audience is prospective students, and it is tied to the academic catalog, the only curriculum able to be displayed is the new curriculum that rolled out in Fall 2024
- Highlights
- Accreditation
- Career Opportunities
- Learning Path
- Where graduates are employed
- Featured Faculty
- Admission and Financial Aid information
- Link to apply
- Contact Information
- Related Programs

ACADEMIC CATALOG

TARGET AUDIENCE: Current Students

The Academic Catalog is published annually and submitted to the New York State Department of Education. It is categorized into undergraduate and graduate sections and comprises individual pages of each program offered with the curriculum for students entering in that specific academic year. It also contains information specific to the University/college.

OWNED BY: University Registrar

FREQUENCY OF UPDATES: Once per year. Hard deadline for changes, Feb. 28, published April 1 for curriculum that is effective that upcoming fall.

Website Addresses:

- [Undergraduate Catalog](#)
- [Graduate Catalog](#)

Information on the pages for individual programs includes:

- Brief description of each program
- Curriculum: Courses required to meet graduation requirements - the academic catalog is only updated annually and reflects the curriculum for students admitted during that academic year, beginning with fall through summer, therefore, the only curriculum able to be displayed is the new curriculum that rolled out in Fall 2024
- Major Map (optional)
- Number of credits needed to meet graduation requirements
- Course descriptions as currently published in Banner

University/College information includes:

- University Academic Policies
- Accreditation
- College/School Academic Policies
- Administrator listing
- Admission Requirements
- Academic Advisement
- Course Descriptions
- Accreditors and status
- Complaint policies
- Expected Learning outcomes (program optional)
- Vision, Mission, Goals, and Philosophy
- Health Requirements
- Brief History
- Lienhard School of Nursing History
- Honor Society
- Nursing Technical Standards
- University Core Curriculum
- Student Handbook (link to Department Site page with all handbooks)
- Academic Support Centers
