Strong minds, strong bodies— Pace challenges and nurtures all of you.

Pace is known not only for its strong professional preparation and rigorous academics, but also for its outstanding athletic programs. If you played varsity sports in high school, you can keep on playing and help the Pace Setters maintain their winning NCAA Division II Northeast-10 Conference tradition.

If you want to compete, but not on the varsity level, choose one of our comprehensive intramural programs.

In 2015–2016, the Pace softball team won its first ever NE-10 Championship and made its second straight NCAA Tournament appearance, while the women's lacrosse squad captured an ECAC Championship. The Pace baseball team also won a share of its fourth NE-10 Southwest Division title in the last five years.

Athletic Facilities

WESTCHESTER CAMPUS

Pace University entered a new era in 2015–2016 as we unveiled a number of new and upgraded facilities that have transformed and revitalized the Westchester Campus.

JOSEPH R. IANNIELLO FIELD HOUSE — The new Joseph R. Ianniello Field House is a 14,010-square foot facility that includes a new strength and conditioning center, locker rooms, and a sports medicine component.

PACE STADIUM — Home to the Pace football, men's lacrosse, women's lacrosse and women's soccer teams. Pace Stadium features FieldTurf, lights, and seating for 1,100 fans.

PETER X. FINNERTY FIELD — The home of Pace baseball and field hockey, Finnerty Field has been upgraded with FieldTurf, lights, batting tunnels, and new seating.

PACE SOFTBALL FIELD — Setters softball will have a new home with the addition of a softball field. The facility will feature new bleacher seating, a batting tunnel, and press box.

GOLDSTEIN FITNESS CENTER — The home of Pace volleyball, basketball, and swimming and diving, the facility includes a 2,400-seat arena, scoreboards, walking/jogging track, aerobics/dance room, fitness room with cardio theater, eight-lane pool, locker rooms, equipment room, and training facility. Classes offered: Zumba, step aerobics, kickboxing aerobics, yoga, and more.
