Events around Campus

- Another great way for students to become involved with the Pace community is by attending events around campus. Students can stay up to date on what's going on by visiting <https://webevents.pace.edu/> or <https://orgsync.com/login/pace-university-new-york-city> (you will need to sign in with your Pace username and password).
- Flyers for events are also regularly posted on bulletin boards around campus, as well as shown on homerboards (TV screens) around campus.
- Finally, the Global Pathways Facebook page will promote events which may interest our students!
