SCHEDULE OF VIRTUAL EVENTS
Thursday, April 22, 2021

9:15am - 9:30am	Welcome Greeting Matt Renna, Vice President, Human Resources
9:30am - 10:15am	Seidenberg School of CSIS Meet Pepper the robot! Hosted by Lisa Ellrodt, Senior HR Programmer/Analyst Get your day started right with some light exercise and games with Pepper the robot!
10:30am - 11:00am	College of Health Professions Explore the Healthcare Simulation Lab. Hosted by Erica Gentles, Simulation Educator The College of Health Professions Simulation Lab invites you for a unique look into the behind the scenes work we do in the lab. During your virtual tour, you will have an opportunity to meet some of our friends: <i>Sim Baby</i> , <i>Sim Junior</i> , <i>Sim New B</i> and <i>Sim Mom</i> . These are a few of the amazing mannikins we use to create real-life scenarios for our future health care professionals. We will also demonstrate how we use make-up (moulage) to create life-like wounds on real people as well as mannikins.
11:00am - 11:45am	English Language Institute (ELI) Go Farther: Explore Your Travel Dreams through Vision Boarding Hosted by Rebeca Checo, Admissions Coordinator and Jamie Leotta, Assistant Director, Custom Programs Each year the English Language Institute (ELI) welcomes hundreds of students from all around the world to learn English in New York. In this presentation, you'll explore the benefits of study abroad, envision your travel goals, and plan your next journey. Participants will learn to create vision boards and conceptualize their travel dreams.
